## Miscellaneous Drivel

**The parking fee at West Valley College** is \$2 per day every day of the week from 7AM to 10PM. The Fall and Spring parking fees are \$25 each. The summer fee is \$15. The fine for parking without a permit is \$25.

Remember to **let Walt VanZant know as soon as possible on Saturday mornings whether or not you are going to run in the scheduled relay** (when we have a relay). He skips the warm up so that he can do a better job of putting balanced teams together and getting the relay started as soon as possible. If you wait until you get back from the warm up and sometimes even later, it is difficult to properly place you.

Bill Campbell, the athletic director at West Vally College, says that the inside lanes will be re-surfaced some time during the summer. After that, runners will only be allowed to run in the first four lanes if they have a permit to do so. The club will receive a permit to run in the first four lanes for our Wednesday and Saturday workouts. However, whenever you are warming up or down, you should jog in the outer lanes.

**Brian** and **Julie Schonfeld** had a baby girl on 3/31/99. Her name is **Grace** and she wighted in at 4 pounds and 6 inches and was 17.5 inches long.

**Chris Nunez**, who ran with us for 5+ years, Has been battling bone cancer. Todd Hayes says that he understands that the cancer is now in remission and that Chris is no longer working at the post office.

**Karl Misner** has also been diagnosed with cancer of the brain. He stumbled and fell on his chin during a morning run. He immediately had seizures. Thus, he was tested several times before they discovered the malignant tumors. He will soon begin radiation therapy to deal directly with the brain tumor followed by chemo therapy to deal with possible metastases. Once he starts the chemo, he'll be susceptible to infection. So, we will not see Karl for awhile.

**Danny** and **Madelyn Moon** became grandparents for the first time on 4/28. Danny Moon's daughter, Yvette, gave birth to **Jack**. He weighed in at 2 pounds and 4 ounces. Jack was premature and is still in the hospital until he gains sufficient weight.

**Neal Chappell** just turned 60 and is ready to run well in that division. He has recently run 19:23 and 19:43 for 5Ks in Las Vegas and Los Angeles and 41:16 for 10K.

**Cecil Baumgartner** and Todd Hayes completed the difficult American River 50-mile race in early April.

Two of our better open men runners have left us. **Nathan Scherry** joined the Air Force and **Dave Nellis** moved to Colorado.

As most of you know we have a club web page. If you haven't checked it out, take a look. **The address has changed recently:**

the 40+ men and **Dwight Cornwell** and **David Furst** led the 50+ men with the #2 and #7 50+ time for this course. **Joann Dahlkoetter** led the 40+ ladies while recording the #3 45+ time. **Chris Hallen** led the 50+ ladies while recording the #4 50+ time. **Dave Norlander**, despite stopping to recover **Rich Hahn's** cap for him, ran well enough to record the #6 60+ time for this course. **Mike Andrakin** ran this course for the first time since March 1984 and was rewarded with a PW, exceeding his previous worst by 5 minutes. Congratulations, Mike. **Dave McCarten** exceeded his worst by 4 minutes but I'm not sure whether he was making a legitimate effort.

#### Dick Barrett Trophy Winner - **Terri Kinsch**

Ken tried the fast/slow runner combination with no handicap for the second week in a row. He said that there was the usual BSing. As an example, **Scherry** said that he would run slow and then opened with a 1:39 600. **Ray Russell** said that he would run slow. And, he did. Therefore, his poor partner had to run her last 600 all alone but she still ran hard. So, she was given the weekly trophy.

Dick Barrett Trophy Winner - **Scott Bang**

The scheduled run for this morning was the Douglas course. However, due to the fact that the double-gate area was covered with debris from tree trimming, all were given the choice of running either the Farwell/Herriman course or Douglas. Most chose Douglas and it worked out okay. Probably, just a few seconds were lost in the poor-footing area. **Scott** battled **Slim Pickens** for a couple of miles before pulling away for his third consecutive Saturday road win. He was given the weekly trophy because he knocked 28 seconds off his PR while recording the #19 all-time best for this course. Slim knocked 37 seconds off his PR, **Kristina** improved by 11 seconds, and **Brian Low** improved by 37 seconds. **Dwight Cornwell** missed **Tim Rostege's** 50+ course record by 5 seconds. **Ralph Poole** moved to #3 on the 60+ list. Howard Powers improved his 70+ best by 19 seconds but is still 4+ minutes behind **Dave Valles'** 70+ course record. **Hank Lawson** led the men 40+ runners. **Sue Francis** led the 40+ women and **Chris Hallen** led the 50+ women. All will be given the same option next Saturday. They can either run the **Farwell-Herriman** course or the Douglas course.

**Dick Barrett Trophy Winner - Dwight Cornwell**

As was the case last week, all runners were given the option of running either the Farwell-Herriman course or the Douglas course. **Sue Pickens** and **Dena Noble** made a wrong turn and ran 4.25 miles.

After an early spurt by **Danny Moon**, **Tim O'Rourke** eventually took control of the Douglas course race and easily won as he recorded the #8 40+ time for the course. **Dwight Cornwell** broke **Tim Rostege's** 50+ course record by 6 seconds. **Kristina** and **Becki** led for the first three miles of the Farwell-Herriman course race before **Slim Pickens** passed them and went on to win by a minute. **Kristina** improved her PR by 29 seconds to move to #2 on the women's list. **Becki** stayed with **Kristina** until the last 200 yards while recording her best time on this course in over three years. **Jutta**, although loafing, still broke her own women's 55+ record by a minute. **Ralph Poole** and **Dave Norlander** recorded the #4 and #9 times by 60+ men runners. **Matt Bordoni** improved his PR by 4 minutes. **Norm Saucedo** took a bad fall on

Saratoga Ave. **Brian Low** and **Brian Schonfeld** stopped to help him. Norm struggled to his feet and then went on to beat his helpers.

The **Russell/Bang** team was allowed to start 3 minutes earlier than they should have started and used this gift to score an easy win. **Ray Russell** was seen later in the morning treating Ken Napier to breakfast. The **Myers-Bronson** team did not grease Ken's palms with any money and, accordingly, started 2 minutes later than they should have. They finished last. **Ray Russell** and **Scott Bang** had the best averages for the 10 laps of running with an average of 72 seconds per lap. **Kelly Emo** led the ladies with her best-ever average for this workout at 89 seconds per lap. **Norm Saucedo** showed that he starting to return to good form as he averaged 92 seconds per lap.
