Miscellaneous Drivel

The parking fee at West Valley College is \$2 per day every day of the week from 7AM to 10PM. The Fall and Spring parking fees are \$25 each. The summer fee is \$15. The fine for parking without a permit is \$25.

Remember to let Walt VanZant know as soon as possible on Saturday mornings whether or not you are going to run in the scheduled relay (when we have a relay). He skips the warm up so that he can do a better job of putting balanced teams together and getting the relay started as soon as possible. If you wait until you get back from the warm up and sometimes even later, it is difficult to properly place you.

Tina Lount got married in late March and then went off to a distant Pacific island for her honeymoon. All went well for the first part of her vacation. However, an errant driver crashed into her touring party and ran over her head with the tire of his truck. Fortunately, Tina escaped with just a concussion and a badly bruised cheek bone. Needless to say, Tina was petrified when she saw the truck running over her. She thought that her head was going to explode from the force of the tire.

Walt Radloff crashed on his bike during a triathlon but did not break any bones. Just a bad case of road rash.

Did you hear about the kid who was hit by a train while playing chicken. He did not suffer any major injuries *but felt very run down*. Some suspected that he was on drugs because he had *track marks on his arms*.

Cheryl Lease gave girth to her second child on 4/6/98. **Sarah** weighed in at 6.5 pounds. **Damon** is recovering well from the birth.

Jesse VanZant, who ran with us during the late 1970s and early 1980s, died during April of complications from diabetes at the age of 75. Jesse was the top road runner in the Bay Area during the early 1950s, winning the Bay to Breakers, when it was a much smaller race, three times. He also finished 3rd at the 1948 Boston Marathon.

Dave Bauer again won his division (60-64) in the world indoor rowing championships, which were held in Boston. He rowed bow-to-bow (on the TV monitor) with the eventual second place finisher (an entrant from Denmark) for the first 1200 meters before pulling away over the last 800 meters to win in 7:00.0. This was 1.5 seconds slower than his winning time last year.

Mary Vidovich has run three PRs on the Saturday courses during recent months and **Gene Antonides** (62 years old) has run two PRs.

Rick Reitz won a race outright at the Almond Blossom 8K. In the process, he set a course record at 25:41. **Karen Steele** was the first woman finisher in this race as she ran a PR 29:57.

59-year-old **Bob Shuck** ran a 28.8 200 relay leg at the Winter Corporate relays in February.

Dave Scott finished 2nd in the largest 50K race in the United States, the Cool Canyon 50K.

Our men's 40+ team, after not having won a race in four years, has now won three consecutive grand prix races.

Kent Oglesby, who now lives in Colorado, finished third in the 50/54 division of the Carlsbad 5K with a time of 17:06.

Marion Carter was a TV hit at the Boston marathon. He went down to the finish area the night before the race. A TV newsman decided to interview him. Marion began to explain that he had qualified for two prior Bostons but had been unable to compete because of injuries. He then became emotional and started to cry. This interview was highlighted on the station. Therefore, he became a celebrity with many runners wishing him well during the race. And, after the race, he was again interviewed. Marion is now making a pest of himself, asking everyone at the Saturday workouts whether they want his autograph.

Bill Johnston, who has been commuting between the Bay Area and his new job in Georgia for quite awhile, will finally move his family to Georgia. He and his wife will ride the train all of the way back to the East Coast in early June.

Al Murray turned 40 on 4/18 and is ready to help our men's 40+ team. **Ken Noel** turned 60 in early March and has now competed in three grand prix races as a 60+ runner.

Don Packwood has joined the ranks of the retired. He left Hewlett-Packard early this year.

As most of you know we have a club web page. If you haven't checked it out, take a look. Its address is:
<http://www.accesscom.com/~jwhalen/wvjs.html>

Also we have a very good Pacific Association web page. This has lots of current race results and PA-USATF Standings. Check it out:

Mia Price

Mia Price died of cancer on 5/1/98 at the age of 33. Mia joined our club in early 1995 and immediately became one of our best female runners in the grand prix series. She had a very sweet personality and was a pleasure to run with on the long Sunday runs. She had a tough last couple of years of her life. Her young daughter died of a blood disorder during the summer of 1996. Then, she discovered that she had cancer when she returned from her

honeymoon last year. On several occasions, she became optimistic that all of the cancer cells had been destroyed but they kept popping up in different places in her body and eventually killed her. Her husband, Darren, was very loving and caring during her ordeal. Many club members had the opportunity to visit with Mia at her home during the last days of her life.

Annual Club Dues

The annual club dues of \$15 per person or \$20 per family are now due.

1997 WVJS RACER OF THE YEAR CONTEST

Standings in this contest are based upon your best 8 performances in 17 designated events. The top finisher in each division for each event receives 25 points, the second finisher receives 24 points, etc. Since you can only use your best 8 performances, the maximum score is 200 points (8 x 25). Runners who were not placed in a division by the Racer of the Year committee at the start of the year but who begin competing in the contest during the first half of the year have been placed

in the elite division. However, the committee will decide after June 30 whether they should be placed in a lower division. If so, the scores for these divisions will be revised. The committee will also have to decide what to do about the fact that the Hollister Mile and the Silicon Valley 5K are both scheduled for the same day. Phantom Dick Barrett Trophy Winner - Mary Vidovich

We were supposed to get heavy rain this morning. Fortunately, it only rained intermittently and then only very lightly. Tim O'Rourke, Eddie Tico, and Jim Bordoni ran together for 3 miles, when Tim sprinted away to victory and then made a quick trip to the john. Jim Bordoni had second place sewed up until he had to slow for a car at the Fruitvale crossing. Eddie seized the opportunity to catch up and then sprinted away for the second place finish. Greg Burke knocked 68 seconds off his PR while moving to #13 on the 50+ list for this course. Becki Kriege easily ~~RR~~ the ladies. Kristina continued to improve her conditioning as she was the second woman finisher. Mary Vidovich improved her PR by 14 seconds. Bob Shuck led the 55+ men again. Russ Kinsch picked on all the slow runners. He went out slow and then ran by us like we were standing still. Matt Bordoni has gotten into better condition over the last two months as he improved his November Farwell time by over three minutes. Karl Misner improved his 60+ PR by 9 seconds. Congrats to Ken Napier. He ran a PW. Don Packwood was pleased to run his third consecutive 28+ on this course. Prior to those performances, he ran a 24:15 in November 1996. Glen Douglas ran a 30:48 in his first run with us in over 10 years. He has a best of 21:50. Stan DeMartinis, Damon Lease, Phillip Lease, and several other all-star timers recorded our performances. Damon, Cheryl, and Phillip will leave to return to their igloo in Anchorage tomorrow.

Dick Barrett Trophy Winner - Danny & Madelyn Moon

This was a truly miserable morning. It was cold. It rained. And, it was windy. Yet, 35 runners participated in the workout and three timed. The Vidovich team was the first to finish but they had to use Cecil Baumgartner as a substitute for two runs. The Russell team was the next across the line but Ray was given a favorable rating because he said that he would run easy. And, he did until he saw that his team had a chance to win on the last leg. The Moon team was the first legit finisher. Ray Russell had the fastest cumulative time and was closely followed by Eddie Tico. Kristina Mathias led the ladies at 15:27. Todd Hayes led the 40+ men at 15:32. Pauline Beatty was the top 40+ lady at 19:52. Greg Burke led the 50+ men with an impressive 14:37. Georgia Riley led the 50+ ladies at 19:57. Karl Misner was the top 60+ runner at 16:57. Tim Rostege led the eight 55+ runners at 16:08.

It rained a fair amount overnight. Fortunately, it let up just before the start of the race. However, lane 1 was covered for the entire track and lane 2 was covered on the backstretch. Obviously, this added to the time as we had to run wide all of the time. Tim O'Rourke, despite the poor conditions, still was able to break 17 minutes. Becki Kriege also ran well to lead the ladies.

We conducted two simultaneous events on this miserable morning - rainy and windy.

Don Hogue led the hardy souls who ran the 5K. Al Murray, Danny Moon, and Dave Norlander bettered their time from last week despite poorer conditions. Madelyn Moon got a friendly slap on the rear end each time hubby Danny lapped her (3 times). However, she got a lingering 4th slap from an unidentified party (Madelyn was running with her head down so that her hat would not blow off). Ken Starr will soon launch an investigation to determine the guilty party.

Prior to the start of the relay, Ray Russell announced that winning a relay meant nothing to him. After all of the runners finished their 10-minute laughing jag, we started the race. Scott Bang ran 3:26 on his last leg to bring his team from second to first place. Ray had the best splits at 3:18/3:30/3:25/3:15. Kristina Mathias ran 3:50/3:46/3:47/3:39.

Dick Barrett Trophy Winner - Mary Vidovich

We had no rain this morning and moderate temperatures. Yea. Ray Russell ran to an easy win and Kristina Mathias led the ladies. Dave Fergus led the 40+ men and Joann Dahlkoetter led the 40+ women. Tim Rostege, who ran his fastest time on this course since December 1995, led the 50+ men and Madelyn Moon led the 50+ women. Karl Misner led the 60+ men while recording the #6 60+ time for this course. Ray Stewart led the three-man 70+ group.

Dick Barrett Trophy Winner - Matt Bordoni

This was a cold and crisp morning with temperatures in the mid 40s. Eddie Tico took the early lead and led for a little less than a mile before Ray Russell took over the lead on the way to a 15:50. Ray ran splits of 5:38-5:22-4:50 with a final half mile of 2:20. Becki Kriege edged Kristina Mathias to lead the ladies. Tim O'Rourke led the 40+ men while recording the #5 40+ time for this course. The injured Sue Francis led the 40+ ladies. Greg Burke led the 50+ men and Georgia Riley led the 50+ ladies. Karl Misner ran his best time on this course in two years to lead the 60+ men while recording the #4 60+ time for this course. Ken Noel, who turned 60 during the past week, recorded the #5 60+ time. Ray Stewart led the 70+ men while improving his PR by 72 seconds. His time puts him #2 on the 70+ list, just 16 seconds behind the #1 time of Dave Valles. Ray lost some time when he drifted off course at a turn. Dave Fergus showed signs of getting back into top form with his 16:38. Tim Rostege continued his gradual improvement with a 12-second improvement on his last Valle Vista run. Matt Bordoni improved his PR by 5 1/2 minutes to win the weekly trophy. Mary Vidovich improved her PR by 65 seconds to move to #8 on the all-time women's list. Ken Napier started his comeback with a 24:28. Before the run, he claimed that he was going to run the course in 35 minutes. Stan DeMartinis ran his best time on this course in nearly 2 years.

We had a light turnout this morning as many club members were resting for the race tomorrow. Inasmuch as there was a

big high school meet starting at 9AM, we decided to start the relay as soon as possible. So, no handicapping was done this morning. The winning team was put together at the last moment and, as can be seen, they had an easy time winning the race as they nearly lapped the field. An attempt was made to make the remaining teams equal but it did not work out.

Due to the unexpected high turnout of runners, the handicapper did not give the teams handicaps based upon the individual runners' ratings. Accordingly, the Russell/Bang team got away with an easy win. The Bang team started 5:45 sooner than they should have started in comparison to the Madelyn Moon team. If the teams had started based upon the ratings, the Rostege team would have won and the range of times for the first 19 teams would have been a little under two minutes. We were not able to get the runners' individual splits.

However, 27 runners participated in the run with Ray Russell leading the way. 60+ runner Gene Antonides was the star of the day as he improved his PR by 54 seconds while moving to #5 on the 60+ list. He passed fellow 60+ runner Karl Misner during the last mile. Ken Noel posted the #8 60+ time for this course.

Dick Barrett Trophy Winner - Dave Nellis

We had good weather for this run as the weather was overcast and windless. Dave Nellis won by about 100 yards. Al Murray, who just turned 40 a couple of weeks ago, led the 40+ runners. Danny Moon led the 50+ runners, and Gene (PR) Antonides led the 60+ runners. Ray Stewart was the lone 70+ runner. Becki Kriege led the ladies, Sue Francis led the 40+ ladies, and Jutta (the loafer) McCormick led the 50+ ladies. Karin Bivens ran and extra 3/4 of a mile

because she did not know that she had to turn at Douglas. This sets her up for a big PR the next time that we run this course.
