The parking fee at West Valley College is \$2 per day every day of the week from 7AM to 10PM. The Fall and Spring parking fees are \$25 each. The summer fee is \$15. The fine for parking without a permit is \$25.

Remember to **let Walt VanZant know as soon as possible on Saturday mornings whether or not you are going to run in the scheduled relay** (when we have a relay). He skips the warm up so that he can do a better job of putting balanced teams together and getting the relay started as soon as possible. If you wait until you get back from the warm up and sometimes even later, it is difficult to properly place you.

Maureen Sweda was pleased to learn recently that the 42:13 10K that she ran last track season was a school record for the college that she is attending in Missouri.

66-year-old **Ephraim Romesberg** completed the grand slam of United States ultras when he finished the Wasatch 100-miler on 9/7/97. The other 100-milers included Leadville (29:32), Western States (29:45), and Old Dominion (27:06). 13 runners completed the grand slam this year and Ephraim was the oldest of this group.

Mia Howard has been diagnosed with lymphoma cancer. She has had surgery to remove the cancerous cells, which were found in her lymph nodes in her armpit, her left breast, her neck and lung area, and is now undergoing a series of chemotherapy treatments. The side-effects of these treatments has been causing her a lot of suffering. Obviously, we all wish her well in her battle to overcome her cancer.

Ron Nelson joined the club's prostate cancer club and had surgery on 11/12. He seems to be doing well. **Dete Kraus** and **Ken Noel** previously had surgery for this cancer and are now back living full lives. Hopefully, the outcome will be the same for Ron.

Ruby Hurtado fell off her bike a couple of Sundays ago, breaking her collar bone. Her doctor is waiting to see how the bone heals before deciding whether surgery is necessary.

Walt VanZant had a heart attack in late September but has recovered and is back to running.

Kristina Mathias will be out of action for awhile as she has an apparent stress fracture in her foot. **Norm Saucedo** also may have a stress fracture in his foot.

Rich Hahn has taken a job in India. Thus, he will be gone for at least a couple of years. **Joe Johnson**, after living in Virginia for a few years, has moved back to the Santa Clara Valley. **Bill Johnston** has taken a new assignment on the East Coast. He does not know when he will be able to move back to the Santa Clara Valley.

Our annual club awards dinner will be held at the Los Gatos Lodge on 1/24/97 from 6PM to 10PM. It has been suggested that the women MC the show this year. If not, then Danny and Rich are willing to MC again.

The annual club meeting will be held at Walt Van Zant's house on 12/13/97, beginning at 1PM. All club members are welcome to attend this meeting. Please let Walt know (246-2651) if you plan to attend.

The Pacific Association of the USATF desperately needs volunteers. Some of the jobs include -- LDR representative on the membership committee, XC grand prix scorer, XC chairman, masters LDR chairman. Please let Mark Winitz (650-948-0618) know whether you are available.

As most of you know we have a club web page. If you haven't checked it out, take a look. Its address is:

<http://www.accesscom.com/~jwhalen/wvjs.html>

Also we have a very good Pacific Association web page. This has lots of current race results and PA-USATF Standings. Check it out:

Dick Barrett Trophy Winner - **Brian Low**

Today, Ken Napier and Walt VanZant were off racing in Golden Gate Park, leaving Danny Moon in charge. He hired Stan DeMartinis and Art Brookman to assist him. Despite the larger than expected turnout, the unpaid help came through. Art called out the times, Danny called out the names, and Stan wrote down the names, places and times. They alleged that no mistakes were made. They were especially happy that Dave Fergus won by so much so that they could practice their routine on his finish before the rest of the pack started coming in. Brian Low improved his PR by four minutes. Mary Vidovich improved her PR by two minutes

Phantom Dick Barrett Trophy Winner - **Marion Carter**

As can be seen, Ray Russell ran to an easy win on this very humid morning. Kristina kicked by Becki during the last 50 yards to lead the women. Danny Moon was the top male 40+ finisher. Joann Dahlkoetter led the 40+ ladies with the

while moving to #11 on the women's all-time list. Karl Misner recorded the #7 time by a 60+ runner.

Dick Barrett Trophy Winner - **Danny Moon**

Danny Moon turned 50 yesterday and received his birthday gift this morning, a generous rating for his partner, and took full advantage of the gift as he put his team into the lead with about 350 meters to go and Eddie then lengthened the lead during his final leg. Dick Chimenti came from 10 meters behind to catch Steve Kurasch to catch him during his last leg but couldn't get by. He may have run a 45.7 on this leg but forgot to stop his watch when he collapsed. Mike Hegglund and Ray Russell ran 45.3 and 46.0 on their last legs. Ray apparently had the best average at 50.0. Gene Antonides, who is almost 62, ran an opening 300 of 51.3 and was still able to hang on for a high 58 average. All teams were rated to finish in 18:45.

Dick Barrett Trophy Winner - Kristina Mathias

There were many excellent performances this morning. Ray Russell ran the 6th fastest time ever on this course, breaking his previous PR (set way back in October 1981) by 16 seconds. Kristina Mathias tied the women's course record, which Becki Kriege set 5 years ago. Kristina and Becki ran together all the way until Kristina kicked by her with 300 yards to go. Dave Fergus recorded the 5th best-ever time by a 40+ runner. He might have broken 16:00 if a driver hadn't cut in front of him near the end. Danny Moon ran the #6 50+ time on this course. Joann Dahlkoetter ran the #3 time by a 40+ woman runner. Gene Antonides improved his PR by 31 seconds while moving to #3 on the 60+ list.
